Dear Friend,

Thank you for giving the gift of education to a Ugandan student! At ChangeALife Uganda, we focus on the health and wellbeing of the whole child and help children of various ages who need sponsors.

Each of our sponsored students receives tuition, a uniform, school supplies, daily nutrition, a mosquito net, counseling and health services to support successful learning. We offer boarding for primary school children who are orphaned, unable to live and study at home and when students enter primary six. We also provide boarding for secondary school and post secondary students.

As a sponsor, you will receive your student's profile, information on how to correspond with him or her, an annual report card and updated photo and letters twice a year.

Annual Sponsorship Fees

As students progress in their education, the cost of tuition increases. A sponsor may wish to fund their student's increased cost. However, some sponsors are not able to increase their contributions; therefore, student's fees can be funded through co-sponsorships, group sponsorships or donations. Annual renewal letters are mailed in March.
